Compliance Training for Institutions of Higher Learning
Meeting the training requirements for higher education

Skillsoft® Global Compliance Solutions delivers training developed specifically to address the unique regulatory requirements for higher education. Our solutions support your institution’s educational mission by offering high-impact training centered on compliance objectives for campus employees and students.

HIGHER EDUCATION TRAINING

Our Legal Compliance Solution addresses critical federal laws such as the Campus Sexual Violence Elimination Act (SAVE), Violence Against Women Reauthorization Act (VAWA), the Family Educational Rights and Privacy Act (FERPA), and Title IX.

Deploy training centered on institutional policies and standards while ensuring course completion on key topics as they pertain to the institution’s mandated requirements.

MEET TRAINING REQUIREMENTS IN A NEW WAY

Address important learning requirements in your risk management program by incorporating a solution designed to meet the expectations of today’s learners. Skillsoft supplies an ever expanding library of engaging content so your institution can drive cultural and behavioral-based changes to foster an environment where faculty, staff, and students do the right thing even when no one is watching.

Relevant content to support the training initiatives of higher education.
Skillsoft Global Compliance Solutions helps organizations stimulate a positive environment where essential components of education and training initiatives are met.

Empower campus employees to understand their legal obligations while positively impacting your institution’s business objectives through

- interactive, engaging, scenario-based content presentation,
- multiple content formats to engage learners,
- emphasis on practical and proactive prevention of risk,
- flexible, web-based deployment, and
- customized content options for maximum flexibility. Reducing risk and ensuring compliance

Develop workforce skills to guarantee campus faculty and staff are aware of the laws and requirements impacting their day-to-day jobs. Informed employees mean lower incident rates, reduced legal violations, and a lower likelihood of negative publicity.
