

“ The Skillsoft Enterprise Solution enabled us to demonstrate our commitment to educate and engage our employees despite harsh business conditions. ”

Lakshmanan Balasubramanian, Management Development Manager,
Schlumberger

BUSINESS CHALLENGE

Schlumberger is the world's leading provider of technology for reservoir characterisation, drilling, production, and processing to the oil and gas industry. They employ over 110,000 people representing over 140 nationalities and more than 85 countries. With 125 research and engineering facilities worldwide, Schlumberger place a strong emphasis on developing innovative technology that adds value for their customer.

The Oil & Gas industry is experiencing an unprecedented era of economic uncertainty. Schlumberger have recognised the impact this has on their employees and that people need to be more agile, more productive and have the skills they need to help the company succeed.

ABOUT SCHLUMBERGER

Schlumberger is the world's leading provider of technology for reservoir characterisation, drilling, production, and processing to the oil and gas industry. Working in more than 85 countries and employing people who represent over 140 nationalities, Schlumberger supplies the industry's most comprehensive range of products and services, from exploration through production and integrated pore-to-pipeline solutions for hydrocarbon recovery that optimise reservoir performance.

HOW SKILLSOFT HELPED

Schlumberger sought a solution that provided learning opportunities to all 110,000 employees in an engaging, yet cost efficient, manner. They agreed to an "Enterprise Solution" which provides learning to all, and cements their place as a thought leader in building a learning culture in the workplace.

Skillsoft have supported the delivery of many learning initiatives, including: the mapping of content to a competency framework being rolled out to all employees, Leadership Advantage to support Managers & Leaders, an online library of Books for Engineers and more.

KEY METRICS

Increase availability of learning from
12,000 to 110,000 employees

Skillsoft content aligned to
Schlumberger Initiatives

Skillsoft content built into
blended programmes

Enterprise Solution offered significant
cost savings
